## RIGHT OF SELECTION

The goods and services shown here are those we can provide to our clients. You may choose only the items you desire. However, any funeral arrangements you select will include a charge for our basic services and overhead costs. If legal or other requirements mean you must buy any item you did not specifically ask for, we will explain the reason in writing on the statement we provide describing the funeral goods and services you select. In keeping with our "Signature Services" to customize and tailor services according to the requests and needs of each family, there are times our staff and directors provide services and extended hours outside the scope of the normal basic service charges contained herein. Additional service hours and excess mileage may apply. These services may include but not limited to assisting with securing venues, caterers, and performers, additional planning meetings and or set up and tear down, carrying out logistics for all areas of the services, obtaining additional vehicles and drivers outside of our normal fleet and staff, excess travel requirements for venues exceeding 25 miles, obtaining and providing special equipment and services, providing limo and family car services outside normal services, as well as other items requested by the family. All charges will be itemized and provided on the final invoice.

If you have any questions, or do not understand any portion of this information, please contact us or ask while visiting our facilities. We want to help you make decisions that you will be comfortable with now and in the years to come. We offer all goods, services, and our facilities to everyone without extra charges for the disabled, or for deaths related to AIDS or other illnesses. We will read any and all documents to anyone desiring this due to any form of disability. We are a complete handicapped accessible facility, with our entrance, restrooms, public areas, and parking lots accessible to the disabled.

## CREDIT POLICY

One of the most important responsibilities we have to each family we are privileged to serve is to carefully listen and bring your emotional and financial needs together. Our experienced staff will guide you through the arrangement and selection process to Honor the Life of your loved one in a meaningful and appropriate way that meets your individual needs.

We are totally dependent on the families we serve for prompt payment. **It is not our policy to extend credit or payments over a period of time. If there are no assets or life insurance policies to secure payment, the balance will be due in full prior to services being scheduled.** These requirements were adopted to insure we meet our financial obligations, and thus remain able to continue providing our families the quality services and facilities they expect from Snodgrass Funeral Home.

A secured payment option must be selected at the time of the arrangements. We reserve the right to require payment in full before any services are scheduled or carried out. We reserve the right to charge interest at 12% annum compounded from date of contract and will be added to any balance due after 30 days from the date of death, as well as any additional fees incurred as a result of collections including, but not limited to, late fees and attorney fees.

- **Cash, Check, Money Order or Cashier's Check;** We reserve the right to require payment in full prior to any services being scheduled. A \$50.00 fee will be charged on all returned checks.
- **We accept Visa, Mastercard, Discover and American Express:** for all services and merchandise, **an additional 3.5% convenience fee will be added to your total invoice. Payment in full is required upon receipt of the final invoice being provided. Payments after 30 days of date of service paid with a credit card will be charged 4% convenience fee on the total invoice.** We do not collect credit card information in house. All credit card payments will be made via email using our intuit system. An email must be provided to pay with a credit card.
- **Life Insurance Policies-** A valid assignable policy must be presented at the time of the arrangements and must be verified by the funeral home. The beneficiary (s) of the policy will be required to sign the working and final invoice as well as the insurance assignment. We will not accept any policy 2 years old or less as these policies are in a contestability period and we do not accept Accidental Life Insurance Policies. We will assist you with this process however, the person (s) will be financially responsible should the policy not pay for any reason. If the policy is not assignable, we reserve the right to require another form of payment. We will assist you with the process of submitting your claim either way.
- **Third Party Provider:** The family may request financial assistance from a third-party provider such as a lending institution or a bank and provide proof of secured funds before services will be scheduled. We DO NOT accept private "Go Fund Me" to secure services. We will allow use of our "Treasure Memories" donation program as long as all criteria is met and ½ of total invoice is paid before services are provided.
- **Preneed Policies:** Transferred from another funeral home. We will consider all transferable policies to see if they can be accepted "as is", however we reserve the right to use those funds from another funeral home preneed as a "credit only" toward our total costs. These policies must be verified and fully transferable to be used. This applies to a preneed or at need situation. This does not apply to any preneed policies written by Snodgrass Funeral Home.
- **Preneed Policies Written By Snodgrass Funeral Home:** Any funds due to or from the funeral home will be due or paid when the final invoice is presented and all guaranteed adjustments are made.
